ABOUT TERA TRADEX

ENGINEERING RELIABLE INDUSTRIAL SUPPLY CHAINS

Established with the vision of simplifying industrial procurement, Tera Tradex delivers end-to-end sourcing solutions for EPC contractors, infrastructure developers, manufacturing plants, renewable energy projects, warehouses and industrial facilities.

From a single safety glove to complete project material packages, we ensure timely sourcing, quality products and dependable delivery.

Our extensive supplier network allows us to procure products from India's leading manufacturers while maintaining competitive pricing and fast turnaround.

Vision

To become India's most trusted industrial procurement and engineering partner.

Mission

To simplify industrial procurement through quality products, technical expertise and dependable service.
